

Ahmad Kouti

CG Artist

Hi! I am Ahmad Kouti

I'm a CG Artist.
My work includes modeling, texturing, lighting, and rendering. I mostly do product and creature modeling. I have been working in the arts for almost 12 years. At first, I started photography and then went into Graphic design. After becoming proficient in graphic design, I specialized in 3D visualization. I was the head of i Pivot Studio team for 6 years. I have won first and second place in several international and domestic 3D competitions. I have an Associate degree in Solid Mechanics. Currently, I work freelance with companies and advertising agencies for the production of Graphic content, I am ready to collaborate on 3D visualization in the field of product, architecture, and advertising artworks to produce still images and animation.
